

Three actions are bottom line of the **Executive Order**, and not a law passed by Congress, mandating forced vaccines: 1) All government employees **MUST** be vaccinated in 75 days with no option to test out. Religious exemptions are purportedly still in effect, however, in New York all religious exemptions have been removed as an option. 2) **ALL** people who work with the federal government **IN ANY WAY** must be vaccinated. That means government contractors, those who service Medicare or Medicaid patients, those who receive any federal funding or touch the federal government in any way are mandated to be vaccinated. 3) Companies with 100 or more employees must force employees to take the shot for a totally vaccinated workforce. The deadline for enforcement is December 8, 2021, with possibly revisions or additional clarifications to follow. Already major actions are being taken to identify the unvaxxed, for example by disallowing air travel without having a vaccine passport or proof by testing that the person tests negative in not having the virus. Natural immunity by **Gods** given immune system is not recognized or otherwise, it would seem, that a person must prove their belief in the **Word of God** to follow the principles of the scripture and that the person will be harmed by their belief from a COVID shot. Then a panel of persons will determine whether to authorize a **Religious Exemption**. The decision of such a secular panel which can be made up of believers and unbelievers in **Gods** principles, is at best a shot in the dark if they are not led by prayer and purpose of truth, ethics, and honesty and with a sincerity to the best interests of the person seeking **Gods Word** as an exemption – all the while knowing that their decision can remove an individual's right to life, liberty, and the pursuit of happiness as guaranteed by the **Constitution, Declaration of Independence, and Bill of Rights** with at the forefront the **First Amendment** that guarantees the **Freedom of Religion and Speech**. Every business or corporation must be prepared for lawsuits from employees forced to receive the shot and the adverse reactions, disabilities, or death that can occur.

(Personal Note: Earlier this year I was scheduled for surgery at a local hospital. One step in the preop procedure was to take a PCR test regardless of being vaxxed or unvaxxed. I declined knowing it was a false test and submitted a cause as Religious Exemption. Of course, it was ignored so I cancelled the surgery. Later in a healing service at my church I was healed by a pastor filled with the Holy Spirit. Thereafter the CDC gave notice that the PCR test would be cancelled on December 31, 2021, due to unreliable results – after many people had died needlessly.)

Speaking as a **Christian** with a belief that the **Bible** is the infallible **Word of God** and that we are **Born Again** into a new life by recognizing that we have sinned, that **Jesus** went to the cross to die for our sins, that **He** rose from the grave after three days, and that **He** sits at the right hand of **God** on the throne to intercede for us with **God the Father**. Followed by **Baptism in Water** and **Baptism in the Holy Spirit** and the faith **He** has given us we can walk upright as a new person washed in the blood of **Christ**. Many of us read the **Word** as the guideline for our lives and worship the **Lord** daily in prayer and supplication as well as attend church services directed at worship and teaching from those provided with the gifts in teaching and often prophecy, plus others of the nine gifts of the **Holy Spirit** (1 Cor 12:8-10). The **Word of God** shows us how we are to live and that our body is the **Temple of the Holy Spirit** (1 Cor 19:20) which must be treated with reverence, piety, honesty, and truthfulness. One does not enter a **Place of Worship** with the hypocrisy and sin of saying one thing and doing something totally different in deference to the **Inherent Word of God**. Yes, sin is forgiven when a person is **Born Again** as we give our lives to **Jesus the Christ**, and **He** remembers our sin no more. But the conscious of our **Soul** will plaque us consistently with direction to ask forgiveness when we do knowingly sin. Once you learn what is sin you realize not to function in a sinful way – this sometimes can take a lifetime as only Jesus the Christ was sinless.

As a disciple of the **Lord Jesus the Christ**, **He** warns and forbids as sin in many, many scriptures of the **Word** to avoid abusing our body, the **Temple of the Holy Spirit**, with detrimental substances not considered **Holy** as to the **Body of Christ**. Of course, this includes illegal drugs, aborted baby parts in vaccines, and many things that can compromise our **God-given** immune system that supports the life **He** has given us. Regarding the COVID shot, man-made substances such as spike-proteins, foreign mRNA that can alter our body cells to make protein that changes body functions, metals such as graphene, and chemical toxins are included in this shot. One walks as a babe in **Christ** and gradually grows in their knowledge, understanding, and wisdom as man's world becomes knowledge through principally real science and information technology to compare with the **Word**. Today it does not take long to witness as to how the conflicts between man and **God's Word** are occurring. Every new event of man requires a backcheck with the **Word** to determine truth versus lies and there have been many lies revealed by organizations too numerous to name here as to the ramifications of subjecting oneself to a COVID shot. There are many adverse after-effects of receiving the shot including disability and death. One size does not fit all as there are 7.5 billion humans on this earth and every one of us is different in DNA by **God's** creation. We must always keep our immune system, the first line of defense against any germ or disease, in good order with organic supplementation to maintain health. Of course, **God** provided mankind with the technologies utilized by our doctors so they are important for our healthcare and should be consulted at least twice annually for tests that we cannot accomplish ourselves and of course when we are confronted with sicknesses. But there must be an open and honest relationship between doctor and patient to discuss thoroughly all information with assured understanding to each. *(Personal Note: I was fired by my family doctor this year because I declined the Flu shot.)*

Religious objections to vaccines, COVID or otherwise, are voiced by many Christians. Very little information was available about the vaccines until recent years when autism and other debilitating conditions such as ADD, ADHD, manic, depression, and suicide became prevalent. It took research to determine what these causes were from, sugar a main one, but the vaccine regime for newborn and school age children began to be examined. Again, the news and reporting technology was not readily available until the last 10 years. But squashing negative information by particularly the CDC and FDA became more prevalent in the last 10 years. Doctors have never been open to telling patients what the ingredients in the vaccines are, only that they are recommended by the CDC for your health. Even the Flu shot, if it works for you, is just a deterrent to mitigate severity and not a cure. Research in the last 5 plus years by the Children's Health Defense and the Vaccine Impact organization of Robert F Kennedy Jr are revealing the real truths about the detrimental effects of vaccines. I personally have had tetanus and flu shots in the past until recently when I researched the vaccines to determine the metals and toxins in the shots that are causing more harm than good. The number of vaccines with aborted baby parts such as shingles, and many others pose much grief to **Christians** who have not had this knowledge previously as violation of **Christian** principles. Many have sought forgiveness from **God** for subjecting their body to the hazards created by man against their body. Not knowing what is against **Gods Word** becomes a sin once it is known before it is taken. We must be careful about healthcare providers stepping on our rights guaranteed by the **Constitution** and **Declaration of Independence**, to dive into this subject as this can be a direct violation of our personal **HIPPA Privacy Rights** and much of this exercise violates **Title VII of the Civil Rights Act of 1964**. We naturally should ask the question as to why the vaxxed population needs protection from the unvaxxed – the vaccine is supposed to protect them from the COVID? And also then why are the majority of people in the hospitals with the COVID that are vaxxed, as an example where Israel with 80% of the population being vaxxed.

Covenants and Commandments

There are basically two kinds of **Christians** 1] the first that believe the **Bible** is the inherent **Word of God** and that you cannot add to or take away from any word of Scripture, thus they make decisions and lead their lives in accordance with the scriptures (Rev 22:18-19) , and 2] those that believe they are right in their own ways and pick and choose in what they believe and how they live (Prov 21:2), but the **Lord** weighs the heart. The **Bible** says **Faith** without **Works** is dead (James 2:14-26) and at the **Bema seat of Judgement** that person will be judged according to their works. (*Note: see previous Posts on Heaven, Tribulation, and the 1000 Year Millenium for better understanding*). In the **Bible** book of Mathew 22:37-38, the **Lord** says the **Great and Foremost Commandment** is that “*You shall love the Lord your God with all your heart and with all your soul, and with all your mind*”, followed by the second greatest “*You shall love your neighbor as yourself*”, but later in John 13:34-35 **God** said a new **Commandment** I give to you “*that you love one another, even as I have loved you, that you also love one another, By this all men will know that you are **My** disciples, if you have love for one another*”. These commandments changed my life and I hope yours as you can still love those who oppress you, but you do not have to respect how they treat you. One reason for the **1000 Year Millennium** is that He a loving **God** gives people one last chance to believe on **Him** so they can enter the eternal kingdom of **God** and have **Eternal Life** on a **New Earth**.

The only way a **Christian** can be legally judged as to their belief and action on that belief is through a Court of Law in the Nation in which they reside or by **God Himself** through a pastoral staff, not by a group of biased individuals who may have personal convictions as to guilt or innocence. Another way to examine the beliefs of a **Christian** is through the **Covenants**, both Old and New. There have been two major **Covenants** made between **God** and two Nations of the World: **Israel** and **The United States of America**. Yes, I said the **United States of America**. A **Covenant** is a legal agreement between two or more parties who come together to make a contract, agreeing on promises, stipulations, privileges, and responsibilities. The **Abrahamic Covenant** made by **God** with **Israel** says in Jeremiah 31: 31 – 34 “*The days are coming, ‘declares the LORD’, when I will make a **New Covenant** with the house of Israel and with the house of Judah, not like the **Covenant** which I made with their fathers in the day I took them by the hand to bring them out of the land of Egypt, My **Covenant** which they broke, though I was a husband to them, ‘declares the LORD’. But this is the **Covenant** which I will make with the house of Israel and Judah after those days, ‘declares the LORD’. I will put My law in their minds and write it on their hearts; I will be their God, and they will be My people. And they shall not teach again, each man his neighbor and each man his brother, saying, ‘Know the LORD’, for they shall all know Me, from the least of them to the greatest of them, ‘declares the LORD’. For I will forgive their iniquity and their sin I will remember no more*”. This **Covenant** of the **Old Testament** was made with Abram/Abraham and his descendants Isaac, then Jacob, and then through Judah one of the sons of Jacob. It is an everlasting **Covenant** down through the generation of King David to finally **Jesus the Christ** of the **New Covenant** and **New Testament**. Understanding of the **Word**

of God, the Bible, is not complete unless the **Old Testament** is integrated and known as the shadow of the **New Testament**. Here before and thereafter, the **Bible** in Genesis 12: 2-3 says of **Israel** *"And I will make you a great nation, and I will bless you, and make your name great; And so, you shall be a blessing; And I will bless those who bless you and the one who curses you I will curse. And in all the families of the earth shall be blessed"*. And **God** made it an everlasting **Covenant** by Gen 13:15 *"For all the land which you see, I will give to you and to your descendants forever"*. That kind of dispels any claim of Palestinians on the land of **Israel** because they mostly believe in the **Old Testament** and Abraham.

The **Abrahamic Covenant** was not a signed paper agreement. It was a Blood Cutting agreement. There were many trials through which Abraham's descendants had to face in the ongoing years yet a **Covenant** by blood is an everlasting **Covenant**. And Abraham to **God** *"And he said, 'O Lord God ' , how may I know that I will possess it (Israel)? So, He said to him, Bring Me a three-year-old heifer, and a three-year-old female goat, and a three-year-old ram, and a turtledove, and a young pigeon. Then he brought all these to Him and cut them in two and laid each half opposite the other; but he did not cut the birds" Gen 15: 8-10. "And it came about when the sun had set, that it was very dark, and behold, there appeared a smoking oven and a flaming torch which passed between these pieces. On that day the Lord made a **Covenant** with Abraham saying, 'To your descendants I have given this land, from the river of Egypt as far as the great river, the river Euphrates" Gen 15: 17-18*. Many Nations today want to destroy **Israel** but do not dare to try because of the relationship between **Israel** and the **United States**. They want the land that **Israel** possesses because of its strategic position in the **Middle East** having access to seaports and major rivers and its resources of oil, gas, and water plus being a land of "milk and honey". If the globe of the Earth is viewed in all its land mass, **Jerusalem** is in the exact center of the World from North to South and from East to West. In 1988 Linda and I personally stood on this central spot in **Jerusalem** while I was working in the **Middle East**. In 1948 the people of **Israel** took back the land as their Nation in one day as prophesied with President Harry Truman naming it as **Israel** and basically guaranteeing its sovereignty. President Trump provided the guarantee of **Jerusalem** as the capital of **Israel** in 2018 and provided sovereignty over the Golan heights all as prophesized in the **Old Testament** of the **Bible**. In ancient times of the **Abrahamic Covenant** **Israel** was a divided Kingdom with **Israel** in the North containing ten tribes and Judah in the South containing two tribes. The ten tribes were scattered during conquests of **Israel** and became known as the lost tribes of **Israel**. Judah originally of the tribes of Judah and Benjamin became one united Nation in 1948. The other reason that Islamic Nations want to eradicate **Israel** is that they know what the Old Testament says about the return of the Messiah to set up His Kingdom in **Jerusalem** which will prevent the Caliphate of Islamic Nations from gaining dominance in the **Middle East**. Always power and money at the expense of someone else and Satan trying to thwart **Gods** plan and purposes.

Well, remember the ten lost tribes of the Northern Kingdom of **Israel**; Reuben, Simeon, Issachar, Zebulun, Dan, Naphtali, Gad, Asher, Ephraim, and Manasseh, which were scattered after the death of Solomon. Across history there have been approximately eighty scatterings of the Jews. Ephraim and Manasseh were sons of Joseph, and the **Bible** says in Gen 48: 13-20 with the key that Ephraim would inherit the blessing of his grandfather Jacob (**Israel**) *"18-20, And Joseph said to his father, 'not so my father, for this one is the first born. Place your right hand on his head'. But his father refused and said, 'I know, my son, I know; he also shall become a people and he also shall be great. However, his younger brother shall be greater than he, and his descendants shall become a multitude of Nations'*. And he blessed them that day, saying, *"by you Israel shall pronounce blessing, saying, May God make you Ephraim and Manasseh"! Thus, he put Ephraim before Manasseh"*. Ephraim thus has become the father of many Nations of the World. And,

through modern history with the New Ages we have seen the population spread from the **Middle East**, Garden of Eden to **Israel**, through what is now Europe with emphasis on Spain and England as **Christianity** spread. Columbus was a devout Christian bringing the message of **Christ** to the Caribbean area of the New World. Likewise, John Winthrop and the Puritans left England to escape persecution, and by the Mayflower fleet aboard the ship Arbella landed at Plymouth Rock on Thatcher Island to form the Massachusetts Bay Colony. His vision of America described in his recordings "A Model of Christian Charity" indicate a contract (**Covenant**) for a new commonwealth for the **Will and purpose of God** – a unique civilization to which all Nations would look upon. He said, "For we must consider that we shall be a City on a Hill, the eyes of all people on us". This was central in establishing a new government for a new Nation as America. John Winthrop, grandfather, and leader of a people known as Puritans, peoples associated with purity, began the foundation stone for America and led the first massive wave of immigrants from England to the new land. Winthrop established the **Bible image** that which is lifted as an example, lifted up among Nations, an exemplary civilization, a model, a Nation sought by others, a civilization to give light to the World.

Mat 5:14-15 says "*You are the light of the World. A city set on a hill cannot be hidden. Nor do men light a lamp, and put it under a peck-measure, but on the lampstand; and it gives light to all who are in the house*". America has been and will continue to be the light of the World and a symbol of freedom for all peoples if **God** is the source of power and light of the Nation. Has **He** abandoned us; I personally do not think so? But He is awaiting the rising up of the **Christian remnant** to do what John Winthrop done but in a different fashion, to take our **Nation** back and be a light on the hill again. If we do not do this John Winthrop's warning is stern. "Thus, stands the cause between God and us. We are entered into **Covenant** with **Him** for **His** work. The Lord will be our **God**, and delight to dwell among us, as **His** own people, and will command a blessing upon us in all our ways, so that we shall see much more of **His** wisdom, power, goodness, and truth. We shall find that the **God of Israel** is among us when ten of us shall be able to resist a thousand of our enemies. But, if we shall deal falsely with our God, but if our hearts shall turn away so we will not obey, and that we shall be seduced and worship other Gods and serve them as our pleasure and profits and deal falsely with our God in His work we have undertaken, and so cause Him to withdraw His present help from us, we shall be made a story and a by-word through the World. We shall surely perish".

Winthrop uses the word "shall" versus "will" which is an enforceable legal command. Do you personally realize the magnitude of this prophecy? Has this Nation committed a breach in **God's commandment** and trust in us? I believe we are in a judgement phase and must turn back or else! We should not be anxious, distressed, or depressed over what the future holds for the **United States of America** or for each of us, but realize **God** is in control. If we believe in **Him**, we are **His** occupants of this Nation until **He** returns for us. But in the meantime, we need to help to spread the message of the **Gospel** to all parts of the Earth. The **Mandate** for COVID shots is just one more bump in the road as a false witness to the authority of **The Constitution of the United States of America**. Amen
